- **Project start date:** December 2010
- **Project duration:** 5 months
- **Value:** \$888,843.00
- **Contract type:** Lump Sum Design & Construction
- **Location:** Onslow, Western Australia

Project Description

Onslow Salt contracted McGrath Homes to build and install four 3 bed, 2 bathroom houses for their staff in Onslow.

The contract called for a full turnkey solution with handover taking place within 5 months, well within the client expected time frame.

The client has since ordered another 4 homes with more in the pipeline. The ability to offer the total turnkey solution is seen as a positive for this particular client.
